

HIDDEN DANGER: ADDRESSING NON-FATAL STRANGULATION

GUEST PRESENTERS

Gael Strack, Esq. and Dr. William Smock, MD, MS, FACEP, FAAEM

This is a multi-media presentation given by a former domestic violence prosecutor and director of the National Training Institute on Strangulation Prevention. The presentation will cover the following:

- Medical aspects of strangulation in surviving and non-surviving victims;
- Legal aspects of investigating and prosecuting attempted strangulation cases;
- Practical tips for all professionals handling strangulation cases; and
- How to develop & use experts in non-fatal strangulation cases in court.
