# Crime Victim Response After Mass Violence and/or Terrorism Series

The Kansas Governor’s Grants Program has partnered with the U.S. Department of Justice Office for Victims of Crime Training and Technical Assistance Center (OVC TTAC) to bring training and technical assistance to Kansas, **focused on crime victim response after mass violence and/or terrorism**. The OVC TTAC worked in coordination with the Office of Justice for Victims of Overseas Terrorism and the Federal Bureau of Investigation Office for Victim Assistance to create the [Mass Violence and Terrorism Toolkit](#) to help establish crime victim assistance protocols, bring key partners together to review existing emergency plans, and to initiate or continue community development plans already in place. This Toolkit will be the basis for the training and technical assistance provided in Kansas.

Brought to you by The Kansas Governor’s Grants Program with the U.S. Department of Justice Office for Victims of Crime Training and Technical Assistance Center.

## Part One: Introduction to Mass Violence and Terrorism Victim Response Planning

**July 22, 2021 • 1:00-4:00 p.m.**

**Presenter:** Krista Flannigan, OVC TTAC Consultant

**Virtual via Zoom (link provided after registration)**

This training serves as an introduction to planning, and is directed to communities/agencies that do not have a crime victim response plan. This training will provide an in-depth overview of the OVC TTAC Mass Violence Toolkit. Participants will be encouraged to start engaging their communities in this effort.

## Part Two: Developing the Mass Violence and Terrorism Victim Response Plan

**September 9, 2021 • 3:00-5:00 p.m.**

**Presenter:** Krista Flannigan, OVC TTAC Consultant

**Virtual via Zoom • The registration information will be sent to those who participate in Part One.**

This training is focused on developing the plan, and is directed to communities/agencies who are ready to begin creating a crime victim response plan. Participants will build upon the first training, exploring each component of the plan and developing a work strategy.
