# **Federal Edward Byrne Memorial Justice Assistance Grant (JAG) Program Guidelines**

## **Overview**

The Kansas Criminal Justice Coordinating Council (KCJCC) oversees the Federal Edward Byrne Memorial Justice Assistance Grant (JAG) Program. The Kansas Governor's Grants Program (KGGP) serves as staff for the KCJCC and state administering agency for the JAG program. The JAG funds are provided to criminal justice system partners to address crime and improve public safety. The JAG program is authorized by federal law 34 U.S.C. §10151-10158. The KCJCC and the federal JAG program guidelines establish eligibility criteria that must be met by organizations receiving JAG funds. Applicants eligible for JAG funding include units of state and local government; Native American Tribes; and nonprofit, community, and faith-based organizations, including underserved and culturally specific populations.

At this time we have not received the final amount of JAG funds available for grant awards. Please refer to the "Pass-Through Requirement" section for more information regarding the distribution of these funds. This is a competitive grant process with no guarantee of funding or continued funding of previous JAG projects.

JAG funds are intended to support the following purpose areas. Applicants must request funds for use in one or more of the following eight purpose areas:

- Law enforcement programs;
- Prosecution and court programs, including indigent defense;
- Prevention and education programs;
- Corrections and community corrections programs;
- Drug treatment and enforcement programs;
- Planning, evaluation, and technology improvement programs;
- Crime victim and witness programs (other than compensation); and
- Mental health programs and related law enforcement and corrections programs, including behavioral programs and crisis intervention teams.

In June 2019, the KCJCC approved the five-year Kansas Statewide Strategic Plan ("Strategic Plan") for the administration of this JAG program. The Strategic Plan outlines the planning process created by the KCJCC to ensure the best use of JAG funds. The process included the analysis of research regarding the current condition of the Kansas criminal justice system and the delivery and analysis of a stakeholder survey tool to identify the following three funding priorities:

- 1) Evidence-based practices that improve the criminal justice system response to mental illness;
- 2) Evidence-based practices to enhance drug enforcement and workforce retention for law enforcement; and
- 3) Evidence-based programming to provide prevention and education on crisis intervention, mental health, substance abuse, suicide, and juvenile delinquency.

## **Funding Priorities**

The KCJCC aims to reduce recidivism, improve officer safety, serve victims of crime, and improve information technology. Applicants should review the [Strategic Plan](#) in its entirety and consider how the proposed JAG project fits into the described KCJCC priorities. **Applications clearly supporting the priorities set forth in the Strategic Plan will take precedence to the extent feasible when subgrant awards are determined.**

The Strategic Plan identifies three priority programs.

- 1) Mental Health:
  - Evaluation/assessment of mental disorders, substance abuse disorders, and co-occurring disorders;
  - Crisis intervention team training and support; and
  - Residential inpatient behavioral health treatment programs.
- 2) Law Enforcement:
  - Crisis intervention/mental health/suicide prevention;
  - Drug enforcement; and
  - Workforce/hire and retain qualified staff.
- 3) Prevention and Education:
  - Substance abuse prevention (including prescription drugs); and
  - Suicide prevention.

The KCJCC focus on these three priority programs is aimed to maximize the impact of financial resources in such a way that measurable results can be demonstrated. Priority to receive funding will be given to applicants addressing these three priority programs and submit a complete application. The remaining funds, if any, will be considered for other allowable JAG purpose areas.

## **Program Requirements**

Applicants must comply with the applicable provisions of JAG and the requirements of the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of JAG funds. This includes, but is not limited to:

- Financial documentation for disbursements;
- Daily time and activity records specifying time and type of service devoted to allowable JAG activities;
- Grant project files;
- The portion of the grant project supplied by other sources of revenue;
- Job descriptions;
- Contracts for services;
- Statistical documentation; and
- Other records facilitating an effective audit and grant analysis for compliance.

## **Federal Certifications**

A unit of state or local government or a public institution of higher education approved for JAG funds will be required to sign and submit the applicable U. S. Department of Justice Office of Justice Programs (OJP) certification regarding compliance with various federal statutes related to

information on citizenship and immigration status. This condition must be met and the executed certification must be received by the KGGP before any approved JAG award is considered operational.

By submitting an application, the unit of state or local government or public institution of higher education is certifying there are no prohibitions or restrictions potentially applicable to the applicant that deal with a government entity or official sending to, requesting or receiving from, maintaining, or exchanging information of the types described in 8 U.S.C. § 1373(a) or (b), or 8 U.S.C. § 1644. If this funding request is approved for a JAG award, the unit of state or local government or public institution of higher education will be required to sign and submit a certification regarding compliance with the federal statutes specified above. This condition must be met and the executed certification must be received by the KGGP before any approved JAG award is considered operational.

### **Pass-Through Requirement**

The KCJCC must ensure a predetermined percentage of JAG funds are passed through and awarded to units of local government (city or county) or awarded to entities for a project directly benefiting a unit of local government. For purposes of this grant project period, approximately 60 percent or more of the \$2.3 million must meet this pass-through requirement. Applications from nonprofit, community, and faith-based organizations that include voluntarily signed waivers from local jurisdictions indicating a benefit from the proposed grant project will receive priority over applications that do not include waivers. Waivers must be from each local jurisdiction in the proposed project service area, be on the local government letterhead, and include language stating the jurisdiction 1) recognizes the JAG funds in question are set aside for local government use; 2) believes the proposed project will provide a direct local benefit; and 3) agrees funding the project is in the best interest of the unit of local government.

### **Match Requirement**

Match is **not** required. However, applicants should note the KCJCC looks favorably on projects providing a match to optimize sustainability of the grant project. The KCJCC will give preference to applicants demonstrating a commitment from local and regional partners and communities. The applicant should describe monetary participation and assistance with project implementation in the Sustainability section of the Project Narrative.

Applicants cannot use JAG funds as any part of a match requirement for another grant program.

### **Limitations on the Use of Grant Funds**

- JAG funding cannot be used to purchase food and/or beverages for any meeting, conference, training, or other event. No food and/or beverages can be purchased with other funds constituting program income for a federal grant award. Exceptions to the restriction may be made only in cases where such sustenance is not otherwise available (i.e. extremely remote areas), or where a special presentation at a conference requires a plenary address where there is no other time for sustenance to be obtained. Such an exception would require prior written

approval from the KGGP. This restriction does not apply to water provided at no cost, but does apply to any and all other refreshments, regardless of the size or nature of the meeting. Additionally, this restriction does not impact direct payment of per diem amounts to individuals in a travel status under the applicant's travel policy. The OJP guidance on food and beverage, conference planning, minimization of costs, and conference cost reporting is accessible on the [OJP web site](#).

- JAG funds used for fringe benefit costs shall not exceed the proportion of personnel costs supported by JAG funds.
- Supplies must be itemized and essential. All miscellaneous supplies will be denied.
- Costs incurred in applying for, administering, or auditing the grant are not allowed.
- Funds cannot be used for lobbying, fundraising, board development, or research projects.
- JAG funds may not be expended outside of the JAG purpose areas.
- JAG funds shall not be used for out-of-state travel.
- JAG funds shall not be used to reimburse in-state mileage expenses in excess of the applicant's approved policy rate or the current federal rate, whichever is lower. If the applicant chooses to reimburse at a rate in excess of this amount, per its agency policy, the applicant should be aware no grant funds administered by the KGGP may be used to make up the difference.
- JAG funds shall not be used directly or indirectly for security enhancements or any equipment to any nongovernmental entity not engaged in criminal justice or public safety.
- Grant projects generating any court disposition or other records must ensure that those records are made available to state repositories if they are relevant to National Instant Criminal Background Check System determinations.
- Purchases of body-worn camera (BWC) equipment, or to implement or enhance BWC programs, requires certification by the agency stating policies and procedures are in place related to equipment usage, data storage and access, privacy considerations, and training. Applicants may use the Bureau of Justice Assistance [BWC Toolkit](#) to assist criminal justice departments in implementing BWC programs, policies, and best practices.
- Purchases of body armor requires certification by the law enforcement agency it has a written "mandatory wear" policy in effect and must ensure that the threat level, make, and model of the body armor have been tested and found to comply with the latest applicable [National Institute of Justice ballistic or stab standards](#). Additionally, body armor or armor vests must be "uniquely fitted vests" as this term is used in the context of the Bulletproof Vest Partnership Program (34 U.S.C. §10202(c)(1)(A)).

- Emergency communications activities must comply with the [Current SAFECOM Guidance](#), supports the Statewide Communication Interoperability Plan, and coordinated with the Statewide Interoperability Coordinator. All communications equipment purchased with JAG funding must be identified on quarterly performance metrics reports, and in compliance with the Department of Justice’s [Global Justice Information Sharing Initiative](#) guidelines and the [Global Standards Package](#). Applicants considering implementing communications technology projects may consider the First Responder Network Authority (FirstNet) Program (see [www.FirstNet.gov](http://www.FirstNet.gov)).
- DNA testing of evidentiary materials must ensure eligible DNA profiles are uploaded to the Combined DNA Index System (CODIS) by a government DNA lab with access to CODIS. No profiles generated with JAG funding may be entered into any other non-governmental DNA database without prior expressed written approval from the KGGP and Bureau of Justice (BJA).
- For equipment, defined as assets with a useful life of one year or more and a cost of \$5,000 or more, the applicant shall:
  - Contact the Kansas Highway Patrol at 785-296-6800 to determine if equipment can be obtained at a lower unit price through the PARTNERS program; and
  - Contact the Kansas Department of Administration’s Office of Facilities and Procurement Management at [purchweb@da.ks.gov](mailto:purchweb@da.ks.gov) or 785-296-2376 to determine if equipment and/or software can be obtained at a lower price. The applicant also may conduct a search for equipment and/or software at <http://da.ks.gov/purch/Contracts>.
- JAG funds shall not be used to purchase:
 

<ul style="list-style-type: none"> <li>○ Vehicles (including unmanned aerial vehicles)</li> <li>○ Drug dogs</li> <li>○ Land acquisition</li> <li>○ Luxury items</li> <li>○ Construction projects</li> <li>○ Infrastructure investments</li> <li>○ Tanks or armored vehicles</li> <li>○ Limousines</li> <li>○ Vessels</li> </ul>	<ul style="list-style-type: none"> <li>○ Aircraft (including unmanned aircraft)</li> <li>○ Fixed-winged aircraft</li> <li>○ Real estate</li> <li>○ Costs to support any casino or other gambling establishment</li> <li>○ Aquariums</li> <li>○ Zoos</li> <li>○ Golf courses</li> <li>○ Swimming pools</li> </ul>
---	--

Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, suspension or debarment from federal grants, recoupment of monies provided under a grant, and civil and/or criminal penalties.

## **Supplanting**

JAG funds shall be used to supplement, **not** supplant, other federal, state, or local funds that would otherwise be available for the proposed activities. The following guidelines should be used in determining the supplanting of funds. Although the examples provided below relate specifically to staffing scenarios, supplanting is not limited to personnel. Supplanting can occur in any budget

line item if sufficient documentation cannot support that a JAG award has not replaced funds otherwise available for the same program or purpose.

**Defined:** To reduce federal, state, or local funds for an activity specifically because JAG funds are available (or expected to be available) to fund that same activity. JAG funds must be used to **supplement** existing funds for program activities and may **not replace** federal, state, or local funds that have been appropriated or allocated for the same purpose. Additionally, JAG funding may not replace federal, state, or local funding that is required by law. In instances where a question of supplanting arises, the applicant or subgrantee may be required to substantiate that the reduction in non-JAG resources occurred for reasons other than the receipt or expected receipt of JAG funds.

Example 1 Organization A appropriated or otherwise secured funds in FY21 for salary and benefits for 10 corrections officers. In FY21, Organization A is awarded JAG funds designated for the hiring of two additional corrections officers. Organization A expended the JAG award as intended, and now has 12 corrections officers.

In this scenario, Organization A has used JAG funds to supplement existing funds for program activities. Thus, supplanting has **not** occurred. If any of the corrections officers had left the organization during FY21 and Organization A did not follow established recruitment procedures to replace these officers or utilized JAG funding for those positions for other purposes, supplanting **would** have occurred.

Example 2 Organization B appropriated or otherwise secured funds in FY20 for salary and benefits for 10 corrections officers. Due to budget projections for FY21, Organization B expects to lay off four corrections officers (facts that Organization B is able to substantiate). In FY21, Organization B is awarded JAG funds designated for hiring three additional corrections officers. At the beginning of FY20, Organization B lays off one corrections officer and uses JAG funds to continue the salary and benefits for the other three corrections officers.

In this scenario, Organization B will use JAG funds to pay the salary and benefits for three corrections officers who would have been laid off but for the availability of JAG funds. Therefore, supplanting has **not** occurred.

Example 3 Organization C appropriates or otherwise secures funds in FY21 for salary and benefits for 10 corrections officers. Organization C plans to use JAG funds to pay the salaries of two additional corrections officers. Subsequently, however, Organization C opts to use two current experienced employees for this effort and uses JAG funds to pay their salaries and benefits. In doing so, Organization C determines that the remaining employees could handle the services and does not attempt to backfill the positions.

In this scenario, by replacing existing funds with JAG funds, supplanting **has** occurred. Although Organization C may use experienced staff to fill the new JAG-funded corrections officer positions, use of the JAG funds has not **supplemented** funds for program activities, but has **replaced** those funds through Organization C's decision not to hire replacements for staff designated for JAG-funded activities.

## **Program Income**

Applicants generating program income through the implementation of a JAG-funded project must ensure that the accounting system in place has the capability to track grant project income in accordance with federal and state financial accounting requirements. All JAG-funded grant project income, regardless of amount, is restricted to the same uses as the JAG project and must be expended as soon as possible. Program income from asset seizures and forfeitures is considered earned when the court has adjudicated the property. Use of program income must meet the guidelines established by the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition.

## **Grant Application Deadline**

Grant applications must be submitted via the Grant Portal **by 11:59 p.m. July 15, 2020.**

## **Funding Availability and Grant Project Period**

Grant projects funded by this JAG program shall be for a period of 12 months from October 1, 2020, to September 30, 2021. Any funds not obligated by September 30, 2021, must be returned to the KGGP.

## **Grant Recipient Compliance and Reporting Requirements**

If JAG funds are awarded to the applicant, subgrantees will be expected to comply with the JAG program requirements set out in the grant assurances, reporting requirements, and any requirements arising as a result of a compliance review. The KGGP will conduct a compliance review of each JAG award. Failure to comply with these requirements may result in suspension or termination of grant funding.

In addition, subgrantees must comply with the provisions of the Federal Office of Management and Budget (OMB) Uniform Guidance for Federal Awards, [2 CFR Part 200](#), and the U.S. Department of Justice [DOJ Grants Financial Guide](#) effective edition, which includes maintaining appropriate programmatic and financial records that fully disclose the amount and disposition of JAG funds. This includes, but is not limited to:

- Financial documentation for disbursements;
- Daily time and activity records specifying time and type of service devoted to allowable JAG activities;

- Grant project files;
- The portion of the grant project supplied by other sources of revenue;
- Job descriptions;
- Contracts for services;
- Statistical documentation; and
- Other records that facilitate an effective audit and grant analysis for compliance.

Agencies receiving JAG funding are required to submit the following information and reports:

- **EEOP** Certification must be current with the U.S. Department of Justice, Office of Justice Programs, Office of Civil Rights.

- The **Performance Measurement Tool (PMT) Report** provides grant project statistical data and accountability metrics. PMT Reports must be submitted via the Federal Bureau of Justice PMT website within 15 calendar days after the end of each quarter. **All law enforcement agencies must** submit accountability metrics data related to training on use of force, racial and ethnic bias, de-escalation of conflict, and constructive engagement with the public that officers have received.
- The **Program Income/Expenditure Report** provides information regarding JAG project-generated program income/expenditures incurred during the reporting period. These reports are due 15 calendar days after the end of each quarter.
- The **Projection of Final Expenditures Report** is due July 15<sup>th</sup>.
- Any other reporting procedures that may be required by the federal government, the KCJCC, or the KGGP.

Subgrantees submitting late, incorrect, or incomplete reports will not receive payment until the next scheduled payments for grant programs. Repeatedly late reports, failure to submit reports or supporting documentation required by the grant assurances, or failure to respond to compliance review findings in the timeframe provided may result in the suspension of grant funds. The subgrantee must come into compliance with grant requirements before grant funds will be paid.

Copies of all financial and statistical supporting documentation must be maintained by the agency for a period of five years following the closeout of the grant award.

## **Review of Applications**

The KCJCC makes the final grant award decisions for all applications. The KCJCC will review grant applications in an open meeting. Notice of the KCJCC meeting will be posted on the [KGGP JAG webpage](#). Applications submitted incomplete, with *any* missing components or information, will receive consideration only after all other successfully completed applications have been considered.
