# State Children’s Advocacy Centers Grant Program Guidelines

## Overview

The State Children’s Advocacy Centers (CAC) Grant Program, established with state general funds, supports Children’s Advocacy Centers (CACs). CACs are child-focused, community-oriented programs that coordinate investigation and intervention services for abused children using a comprehensive, multidisciplinary team (MDT) model. Using an MDT approach, professionals meet, discuss, and determine the investigation, treatment, and prosecution of child abuse cases. CACs provide a safe, neutral environment for children to discuss their abuse. This unique collaboration model ensures children are not re-victimized by the very system designed to protect them and to bring greater accountability to the system. Additional criteria for CACs can be found at K.S.A. 38-2227 and amendments thereto and the National Children’s Alliance Accreditation Standards at [www.nationalchildrensalliance.org](http://www.nationalchildrensalliance.org).

The Children’s Advocacy Centers of Kansas, Inc. (CAC of KS) works with the KGGP to implement and provide technical assistance and training for the CAC Grant Program. Applicants awarded funding are required to work closely with the CAC of KS to ensure the criteria outlined in the grant guidelines and requirements are met.

The distribution of grant funds is contingent upon receipt of adequate funds and appropriations. Applicants must be in good standing with meeting the accreditation standards and in compliance with the requirements of the CAC grant program.

## Funding Availability and Grant Project Period

The Governor and the Kansas Legislature approved an increase in state funds for State Fiscal Year (FY) 2025, starting July 1, 2024. Applicants should develop their budget request with the goals of 1) incorporating approximately 45 percent of their 2024 VOCA budget into the CAC application, per the notifications previously received from the KGGP regarding the projected VOCA decrease; and 2) including funds in the CAC budget to address identified service or funding gaps essential to the provision of services to abused children. The applicant must provide specific justification of need for the full budget request in the Project Narrative. **To be considered for a FY 2025 award, applicants must be in good standing with current KGGP grant awards.**

Grant projects funded by this CAC Grant Program shall be for a period of 12 months from July 1, 2024, to June 30, 2025. Any funds not obligated by June 30, 2025, must be returned to the KGGP.

## Grant Application Deadline

Grant applications must be submitted via the [Grant Portal](#) by **11:59 p.m. June 11, 2024.**

## **Information Required to be Submitted to the CAC of KS** - (Word and/or PDF formats accepted)

The applicant must ensure the CAC of KS has current information on file regarding agency protocol and interagency agreements. Information must be submitted electronically to the CAC of KS. The CAC of KS will notify the KGGP if the applicant meets the requirements and submitted the proper information.

### **Information Required to be Submitted to the CAC of KS** - (Word and/or PDF formats accepted)

- Copy of current CAC protocol (guidelines) approved by the MDT(s) in the CAC's service area.
- Copy of Interagency Agreement/Memorandum of Understanding with each county that signifies the MDT's commitment to working within the team-developed protocol (guidelines). These documents must be dated and signed by each member of the MDT.

## **Funding Requirements**

There is no match requirement to receive funds from this grant program. However, an eligible applicant must receive 20 percent or more of its CAC program budget from sources other than this grant fund. Other sources may be public or private and may include contributions of goods or services, including materials, commodities, transportation, office space, or other types of facilities or personnel services.

## **Use of Grant Funds**

Allowable costs are those that are essential to continue, enhance, or expand the multidisciplinary model of comprehensive CACs. Examples of allowable costs include, but are not limited to:

- Personnel and related fringe benefits expenses;
- On-going operating expenses such as rent and liability insurance that are essential to the provision of CAC services;
- Payment for agency membership dues or fees to state or national children's advocacy organizations; and
- A pro-rated portion of operating costs, such as audit and accounting expenses.

For CACs under the umbrella of a larger agency, operating costs must be pro-rated to be specific to the CAC services only. Applicants must include funds in the proposed budget for attending meetings of the CAC of KS (such as mileage reimbursement), unless those expenses are covered by other sources.

## **Limitations on the Use of Grant Funds**

CAC funds cannot be used for the following:

- Magazine subscriptions or to print or disseminate agency newsletters.
- Individual professional membership dues or fees other than to state or national children's advocacy organizations as stated above.

- Direct payment to any victim or caregiver of a victim of child physical or sexual abuse.
- Gift cards for victims or their caregiver.
- Fundraising, lobbying, board development, or research projects or for training directed at any of these subject areas. However, grant funds may be used to pay for costs incurred specifically for preparing this CAC grant application.
- Construction, land and/or property acquisitions, or vehicle purchases. This includes mortgage payments.

### **Travel-Related Expenses**

Reimbursement for mileage and meal travel-related expenses shall not exceed the applicant's approved policy rate or the current IRS mileage/GSA per diem rates (<https://www.gsa.gov/travel/plan-book/per-diem-rates>), whichever is lower. If the applicant chooses to reimburse at a rate in excess of the federally approved rates, per its agency policy, grant funds administered by the KGGP cannot be used to make up the difference.

### **Equipment**

Equipment and hardware purchases are allowed for the purpose of replacing broken or outdated equipment necessary to support the grant project. For purposes of this grant program, equipment is defined as assets with a useful life of one year or more and a unit cost of **\$5,000** or more.

### **Training**

Training or conference attendance outside of the State of Kansas are generally not allowable unless necessary and essential to the grant project's success. The applicant must demonstrate comparable training is not available in Kansas or the necessary training model is unavailable in the state.

### **Misuse of Grant Funds**

Misuse of grant funds may result in a range of penalties, including suspension of current and future funds, recoupment of monies provided under a grant, and civil and/or criminal penalties.

### **Grant Recipient Compliance and Reporting Requirements**

Applicants awarded a CAC grant are expected to comply with the CAC Grant Program requirements set out in the grant assurances, reporting requirements, and any requirements arising as a result of a compliance review. The KGGP will conduct a compliance review of each CAC grant award. Failure to comply with these requirements may result in suspension or termination of grant funding.

In addition, grantees must maintain appropriate programmatic and financial records that fully disclose the amount and disposition of CAC funds. This includes, but is not limited to:

- Financial documentation for disbursements;
- Daily time and activity records specifying time and type of service devoted to allowable CAC activities;
- Grant project files;
- The portion of the grant project supplied by other sources of revenue;

- Job descriptions;
- Contracts for services;
- Statistical documentation; and
- Other records that facilitate an effective audit and grant analysis for compliance.

Agencies receiving a CAC grant are required to submit the following reports:

- Quarterly **Financial Status Report** provides fiscal information on expenditures made during the quarter. These reports are due 10 calendar days after the end of each quarter.
- Semi-annual **Grant Project Statistical Report** provides statistical information on children and families being served. These reports are due January 10 and July 10.
- The **Grant Project Narrative Report** provides an anecdotal description of the activities and services provided with grant funds. This report is due July 10.
- The **Projection of Final Expenditures Report** is due April 10.
- Any other reporting procedures that may be required by the KGGP.

Agencies submitting late, incorrect, or incomplete reports will not receive payment until the next scheduled payments for grant programs. Repeatedly late reports, failure to submit reports or supporting documentation required by the grant assurances, or failure to respond to compliance review findings in the timeframe provided will result in the suspension of grant funds. The grantee must come into compliance with grant requirements before grant funds will be paid.

Copies of all financial and statistical supporting documentation must be maintained by the agency for a period of five years following the closeout of the grant award.

## **Review of Applications**

KGGP staff will review applications for completeness, ensuring solicitation requirements are satisfied, and the proposed budgetary and programmatic information is allowable, reasonable, understandable, measurable, and achievable. Incomplete applications, with *any* missing components or information, will receive consideration only after all other successfully completed applications have been considered. Applicants will be notified via the Grant Portal of the grant award decision. Please do not call regarding the status of an application.
