Board Discussion on the SCIP Subgrant Awards Special Conditions Document

Chairperson McCormick asked if anyone had questions about the document that reflects the special conditions for the four applications approved for grant funds, as requested by the Advisory Board during the February 16, 2024, meeting. No one voiced any questions. Chairperson McCormick asked for clarification on the City of Parsons special condition regarding the start of its grant award activities. Ms. Maska said the final language will read that the agency may start its activities but must consult with KCSDV prior to implementing a lethality assessment or high-risk team.

Chairperson McCormick moved to approve the document with the amendment to the special condition for the City of Parsons. Sgt. Thompson seconded the motion, and it passed unanimously.
